

Redditch Historic Archives

Artefact RLHS-DAR-209

Donated By

Ian Hunter

No condition donation

Description

Various papers, documents and Booklets relating to the Redditch Development Corporation. Many are “working documents” giving an insight into the planning processes and the data used in decision making. See schedule below for titles

Accessibility

These documents have been catalogued and are now stored in the archives.

Selected documents will be digitised and their contents included in displays and exhibitions where appropriate.

Other documents are available for private study by prior arrangement with the RLHS Archivist.
